

HOPE ART AFRICA

GUILT-FREE SHOPPING

ABOUT US

Hope Art Africa started in 2009 when our founder Marinette van Coller saw the need to support the vulnerable children in Western Zambia.

She knew she had to do something so she prayed and God gave her the word 'ART'. She gathered some ladies in the community and Hope Art Africa was born!

100% of Hope Art Africa's profits go towards caring for vulnerable children in Western Zambia.

Hope Art Africa is also able to uplift and empower the ladies that handcraft all of our products. Currently we have ladies in Mongu, Zambia and George, South Africa.
